

**Kunstnere med særlige krediteringskrav**

K = Kunstnernavn, P = Pseudonym

Når du gengiver billeder og kunstværker under en billedlicens fra VISDA (tidligere 'Copydan Billeder') skal billederne krediteres således:

{Kunstners navn} / VISDA

Enkelte kunstnere stiller dog krav om, at der bruges en anden krediteringslinje. På listen nedenfor kan du se, hvilke kunstnere det drejer sig om, og hvordan krediteringslinjerne skal udformes.

Krediteringen skal anføres i tilknytning til billedet, det vil sige umiddelbart under, over eller ved siden af billedet. Ved bogudgivelser, kataloger og lignende er det dog muligt at samle krediteringerne i en billedliste eller i kolofonen.

Har du spørgsmål til kunstnerlisten eller billedlicenser i øvrigt så kontakt os på [billedlicens@visda.dk](mailto:billedlicens@visda.dk) eller tlf 3140 6000 (hverdage mellem kl 9-12)
